

## **Welcome to the “Important News” section!**

**The kennel will remain open for business this Fall and Patty will be here to run things but at temporarily reduced hours while I take my vacation. Those hours will be posted on my telephone message and on the kennel door along with Patty’s cell phone number should you need assistance.**

**Please also note that as of January 2012, I now require all dogs coming in for boarding, as well as any training or grooming, to have the Bordetella (Kennel Cough) vaccine at a minimum of one week in advance.**

**Thank you!**
